

Bureau Services

What is it?

A service comprising the [Data Cleansing](#) of a [Customer Database](#) and the supply of the resulting Cleansed Customer Database back to the relevant customer.

How does it work?

Bureau Services starts with Data Cleansing. A Bureau Customer will pass their Customer Database to a PAF® End User for Cleansing. The End User will then perform Data Cleansing – the point at which the database is returned to the Bureau Customer will make this exercise Bureau Services.

Number of records Cleansed	Fee (£ excluding VAT) Per year
< 1,000,000	£270.00
1,000,001 – 10,000,000	£800.00
10,000,001 – 100,000,000	£4,000.00
> 100,000,001 -	£10,650.00

Based on the number of records Cleansed in the 12 month period prior to the start of licence fee year. If no Data Cleansing activity, then £260 is payable.

See Schedule 4 of Solutions Provider Agreement and Schedule 3 of direct End User Agreement.
